Nemo Self-Reducing

Corset—\$2.50.

The Nemo is fashionable.
The Nemo is comfortable.
It is made for the stout woman and is the only corset that reduces the abdomen.
It gives her graceful lines.
It gives her perfect ease.
It gives her beauty of form and a gown of fashion.
How?

By a clever arrangement of platts and straps.
The straps adjust themselves to any size of form, making corset and figure one.

The platts form a hollow for the abdomen to rest in, do away with any unsightly bulging of flesh where the corset ends and prevent the weight of the abdomen from pressing on the internal organs.

Ask to see the Nemo at our corset counters.
